

## Amendment: CJ2

Representative Pitts proposes the following amendment:

### **Prosecution Coordination Commission/Section 60**

New:

60.edpp (PCC: Electronic Discovery Pilot Program) The Solicitors for the 2nd, 9th, 14th, 15<sup>th</sup> and 16<sup>th</sup> Judicial Circuits shall create an electronic criminal discovery pilot program and shall develop the protocol, policies and procedures for the electronic transfer and storage of documents, photographs, videos, and any other discovery associated with criminal cases that can be stored and accessed in a digital format. All law enforcement agencies operating within those circuits shall comply with the protocol, policies and procedures promulgated by the Solicitor. The Solicitors of each of these Circuits shall report to the General Assembly concerning the effectiveness and cost of handling discovery through an electronic means by November 1, 2019.
